

## **Colorado Work Life Employee Members Can Save Their Backs and Their Money**

America's Back and Neck is offering Work Life Employee Discount members a customized program that relieves back and neck pain and prevents future injury.

The proven, researched-based program used by America's Back and Neck Clinic utilizes specialized equipment that safely and effectively improves spinal strength and function.

People utilizing the ABNC program have become pain-free without drugs, expensive treatments or surgery. Simply stated, our program WORKS!

Here's our offer:

---

**Work Life members receive a 20% discount off  
our regular monthly membership fee.**

**Only \$64/month**

Normal value is \$80/month for 8 sessions.  
Join Today. Relieve your symptoms. Reduce your risk of injury.

---

All sessions are supervised by a degreed exercise physiologist.

These services are general wellness services not covered by the State employee group medical benefits program.

State employees need to show identification to receive discounted membership price.

Please call 303-770-6355 to get started today!
